

THE CENTER FOR LAW & SOCIAL WORK

CLSW Year in Review

Best. Year. Ever! CLSW now serves the entire State of Illinois, providing important services to secure families and their future. In order to better serve our clients throughout the state, we opened an office in Springfield, moved our main office to Chicago's south side and added an executive office in Ravenswood. In 2019, our counseling program for campus sexual assault survivors saw a 75% increase and we now serve, on average, 60 students per month.

These accomplishments could NOT have happened without supporters like you. We are looking forward to 2020! Happy New Year everyone.

Sincerely,

Maria Nanos, CEO
